

The reader : Journey to the center of the earth.

Answer the following questions.

What noise awakened Axel after he had fainted?

✅ [Show Answer](#)

The noise of waves crashing on the shore of a sea.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did the Professor tell Axel to call to him again?

✅ [Show Answer](#)

To calculate the distance between them.

The reader : Journey to the center of the earth.

Answer the following questions.

How far apart were they from each other?

✅ [Show Answer](#)

They were about six kilometers away from each other.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did Axel lose his consciousness again?

✅ [Show Answer](#)

The slope was very steep, so he slipped and his head hit a sharp rock.

The reader : Journey to the center of the earth.

Answer the following questions.

What did the Professor do when Axel opened his eyes?

✅ [Show Answer](#)

He gave a cry of joy.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did the Professor give a cry of joy?

✅ [Show Answer](#)

Because Axel was still alive.

The reader : Journey to the center of the earth.

Answer the following questions.

What did the Professor advise Axel when he was awakened?

☑ [Show Answer](#)

He advised him to sleep.

The reader : Journey to the center of the earth.

Answer the following questions.

What noise did Axel hear when he woke up?

☑ [Show Answer](#)

The noise of waves crashing on the shore of a sea.

The reader : Journey to the center of the earth.

Answer the following questions.

What name was given to the underground sea?

☑ [Show Answer](#)

The Lidenbrock Sea.

The reader : Journey to the center of the earth.

Answer the following questions.

Who gave this name to the sea? من أطلق هذا الاسم على البحر؟

☑ [Show Answer](#)

The Professor himself.

The reader : Journey to the center of the earth.

Answer the following questions.

What was strange about the light that was there?

☑ [Show Answer](#)

It was cold and white, unlike sunlight or moonlight.

The reader : Journey to the center of the earth.

Answer the following questions.

What did they find along the shore of the Lidenbrock Sea?

☑ [Show Answer](#)

They found tall plants, giant mushrooms and the bones of extinct animals.

The reader : Journey to the center of the earth.

Answer the following questions.

What did the giant mushrooms look like?

☒ [Show Answer](#)

They looked like huge umbrellas.

The reader : Journey to the center of the earth.

Answer the following questions.

How would they cross the sea?

☒ [Show Answer](#)

By raft.

The reader : Journey to the center of the earth.

Answer the following questions.

Who made the raft?

☒ [Show Answer](#)

Hans made it.

The reader : Journey to the center of the earth.

Answer the following questions.

How did Hans make the raft?

☒ [Show Answer](#)

He cut down some trees and tied them together to make it.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did Hans make a raft?

☒ [Show Answer](#)

To help them cross the sea.

The reader : Journey to the center of the earth.

Complete the following sentences.

When Axel awoke he heard

☒ [Show Answer](#)

the noise of waves crashing on the shore of a sea.

The reader : Journey to the center of the earth.

Complete the following sentences.

The professor asked Axel to call to him again to

.....

☒ [Show Answer](#)

calculate the distance between them.

The reader : Journey to the center of the earth.

Complete the following sentences.

They were about apart of each other.

☒ [Show Answer](#)

six kilometers

The reader : Journey to the center of the earth.

Complete the following sentences.

Axel lost his consciousness again because

☒ [Show Answer](#)

the slope was very steep, so he slipped and his head hit a sharp rock.

The reader : Journey to the center of the earth.

Complete the following sentences.

The sea was named after سُمِّيَ عَلَى اسْمِ

☒ [Show Answer](#)

Professor Lidenbrock.

The reader : Journey to the center of the earth.

Complete the following sentences.

The light that was there was strange because

☒ [Show Answer](#)

it was cold and white unlike sunlight or moonlight.

The reader : Journey to the center of the earth.

Complete the following sentences.

The huge umbrellas were

☒ [Show Answer](#)

giant mushrooms.

The reader : Journey to the center of the earth.

Complete the following sentences.

Along the shore of the sea they found

☒ [Show Answer](#)

tall plants, giant mushrooms and the bones of extinct animals.

The reader : Journey to the center of the earth.

Complete the following sentences.

The professor asked Hans to make a raft because
.....

☒ [Show Answer](#)

he decided to cross the sea.

The reader : Journey to the center of the earth.

Complete the following sentences.

To make a raft, Hans

☒ [Show Answer](#)

cut down some trees and tied them.

The reader : Journey to the center of the earth.

Answer the following questions.

What did Hans catch in the sea?

☑ [Show Answer](#)

He caught an extinct fish.

The reader : Journey to the center of the earth.

Answer the following questions.

How was the fish that Hans caught strange?

☑ [Show Answer](#)

It had a flat head, but no eyes or tail.

The reader : Journey to the center of the earth.

Answer the following questions.

How did the Professor try to measure the depth عمق of the sea?

☑ [Show Answer](#)

He tied a pickaxe to the end of a long rope and threw it into the sea.

The reader : Journey to the center of the earth.

Answer the following questions.

How did they know that the Lidenbrock Sea was deep?

✅ [Show Answer](#)

The pickaxe, tied **المربوطة** to the long rope, did not touch the bottom.

The reader : Journey to the center of the earth.

Answer the following questions.

What marks did they see on the pickaxe?

✅ [Show Answer](#)

They saw the marks of teeth on the pickaxe.

The reader : Journey to the center of the earth.

Answer the following questions.

Did the sea monsters attack them?

✅ [Show Answer](#)

No, they didn't attack them.

The reader : Journey to the center of the earth.

Answer the following questions.

What did they do instead بدلاً من ذلك؟

☒ [Show Answer](#)

They attacked each other.

The reader : Journey to the center of the earth.

Answer the following questions.

How did the fight between the two sea monsters end?

☒ [Show Answer](#)

One of them killed the other.

The reader : Journey to the center of the earth.

Answer the following questions.

What was the dark shape they saw in the sea?

☒ [Show Answer](#)

It was an island.

The reader : Journey to the center of the earth.

Answer the following questions.

What name was given to the island?

☒ [Show Answer](#)

* The Professor named it "Axel Island".

* (or) The Professor named it after Axel. (سمایا علی اسم)
(آکسیل)

The reader : Journey to the center of the earth.

Answer the following questions.

What was the fountain of water? Where was it coming from?

☑ [Show Answer](#)

The fountain of water was a geyser. It was coming from the island.

The reader : Journey to the center of the earth.

Answer the following questions.

What is a geyser?

☑ [Show Answer](#)

A geyser is a fountain of hot water.

The reader : Journey to the center of the earth.

Answer the following questions.

What did Axel suggest they should have done as the storm began?

☑ [Show Answer](#)

He suggested they should have lowered the sail and taken down the mast.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did the Professor refuse to lower the sail and take down the mast?

✅ [Show Answer](#)

He wanted the storm to take them away.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did Axel faint during the storm?

✅ [Show Answer](#)

A ball of fire appeared in the sky, came towards them and burst as it hit the raft, so Axel fainted.

The reader : Journey to the center of the earth.

Answer the following questions.

How did they know they crossed the Lidenbrock Sea?

✅ [Show Answer](#)

When they saw the other shore of the sea.

The reader : Journey to the center of the earth.

Answer the following questions.

What did they find along the other shore of the sea?

☑ [Show Answer](#)

They found bones of extinct animals and the skull of a human.

The reader : Journey to the center of the earth.

Answer the following questions.

What did the skull of a human prove to them?

☑ [Show Answer](#)

It proved that men had lived on the shore of that sea thousands of years before.

The reader : Journey to the center of the earth.

Answer the following questions.

What was strange about the forest they came to?

☑ [Show Answer](#)

It was not green, but pale yellow. The trees there had no lower branches.

The reader : Journey to the center of the earth.

Answer the following questions.

What were the huge animals they saw in the forest?

✅ [Show Answer](#)

They were mammoths.

The reader : Journey to the center of the earth.

Answer the following questions.

How could Axel recognise the mammoths?

✅ [Show Answer](#)

He could recognise them from pictures in his science books.

The reader : Journey to the center of the earth.

Answer the following questions.

How was the man they saw with the mammoths strange?

✅ [Show Answer](#)

He was more than three meters tall and had long hair.

The reader : Journey to the center of the earth.

Answer the following questions.

What was the giant man (shepherd) doing there?

☑ [Show Answer](#)

He was looking after the mammoths.

The reader : Journey to the center of the earth.

Answer the following questions.

What did they do as they saw the giant shepherd?

☑ [Show Answer](#)

They ran back to the raft.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did they run back to the raft?

☑ [Show Answer](#)

They ran back to the raft because they were afraid of the giant shepherd.

The reader : Journey to the center of the earth.

Complete the following sentences.

The fish which Hans caught was strange because

.....

☒ [Show Answer](#)

it had a flat head, but no eyes or tail.

The reader : Journey to the center of the earth.

Complete the following sentences.

Hans caught a fish that only existed as a

☒ [Show Answer](#)

fossil.

The reader : Journey to the center of the earth.

Complete the following sentences.

When Hans caught an extinct fish, Axel wondered

.....

☒ [Show Answer](#)

what other wonderful creatures they would meet on their voyage on that sea.

The reader : Journey to the center of the earth.

Complete the following sentences.

The Professor threw the pickaxe into the sea in order to

☒ [Show Answer](#)

know how deep the sea was.

The reader : Journey to the center of the earth.

Complete the following sentences.

The pickaxe didn't reach the bottom because

☒ [Show Answer](#)

the sea was very deep.

The reader : Journey to the center of the earth.

Complete the following sentences.

When the Professor pulled out the pickaxe that was tied to rope, he found

☒ [Show Answer](#)

marks of teeth on it.

The reader : Journey to the center of the earth.

Complete the following sentences.

The marks of teeth found on the pickaxe showed

.....

☒ [Show Answer](#)

that there were monsters in the sea.

The reader : Journey to the center of the earth.

Complete the following sentences.

Axel awakened suddenly because the raft had been
lifted out of the water by a

☒ [Show Answer](#)

huge sea monster.

The reader : Journey to the center of the earth.

Complete the following sentences.

Axel thought it was the end of their journey beneath
the earth when

☒ [Show Answer](#)

they saw two sea monsters coming towards them.

The reader : Journey to the center of the earth.

Complete the following sentences.

Axel's gun would probably be

☒ [Show Answer](#)

useless against the sea monsters.

The reader : Journey to the center of the earth.

Complete the following sentences.

The two sea monsters, instead of attacking the three men, they

☒ [Show Answer](#)

attacked each other.

The reader : Journey to the center of the earth.

Complete the following sentences.

The end of the fierce fight between the two sea monsters

☒ [Show Answer](#)

was that one of them died.

The reader : Journey to the center of the earth.

Complete the following sentences.

The sea monsters' fight lasted for

☒ [Show Answer](#)

two or three hours.

The reader : Journey to the center of the earth.

Complete the following sentences.

The huge dark shape in the sea was as high as

and at least

☒ [Show Answer](#)

a mountain – two kilometers long.

The reader : Journey to the center of the earth.

Complete the following sentences.

Professor Lidenbrock named the island after

.....

☒ [Show Answer](#)

Axel's name.

The reader : Journey to the center of the earth.

Complete the following sentences.

When the explorers found the huge fountain of water,
the Professor wanted to

☒ [Show Answer](#)

go straight towards it.

The reader : Journey to the center of the earth.

Complete the following sentences.

A geyser is a

☒ [Show Answer](#)

fountain of hot water.

The reader : Journey to the center of the earth.

Complete the following sentences.

The characters did not lower their sail during the
storm because

☒ [Show Answer](#)

the Professor wanted the storm to take them away.

The reader : Journey to the center of the earth.

Complete the following sentences.

As the storm was strong, Axel

☒ [Show Answer](#)

fainted.

The reader : Journey to the center of the earth.

Complete the following sentences.

Axel knew that the animals that looked like elephants were mammoths because

☒ [Show Answer](#)

he had pictures of them in his science books.

The reader : Journey to the center of the earth.

Complete the following sentences.

Although he was not afraid of the mammoths, the Professor

☒ [Show Answer](#)

was afraid of the huge shepherd.

The reader : Journey to the center of the earth.

Complete the following sentences.

When they saw the giant shepherd, they were afraid
and

☒ [Show Answer](#)

they ran back to the raft.

The reader : Journey to the center of the earth.

Answer the following questions.

What did Axel find shining in the sand?

☒ [Show Answer](#)

He found a knife.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did the professor think the knife had been there
for only a few hundreds of years?

☒ [Show Answer](#)

Because it was made of steel.

The reader : Journey to the center of the earth.

Answer the following questions.

What did the professor guess when he found the blade of the knife was rough?

☒ [Show Answer](#)

He guessed that someone had used it to carve his name on the rock.

The reader : Journey to the center of the earth.

Answer the following questions.

Where did they find the letters A.S.?

☒ [Show Answer](#)

They found them carved on the rock at the entrance of a dark tunnel.

The reader : Journey to the center of the earth.

Answer the following questions.

What did the letters A.S. mean?

☒ [Show Answer](#)

They were the initials of the name Arne Saknussemm.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did Arne Saknussemm carve his initials on the rock?

✅ [Show Answer](#)

To guide people who would come on their way.

The reader : Journey to the center of the earth.

Answer the following questions.

What was the effect تأثير of finding the letters A.S. on Axel?

✅ [Show Answer](#)

His doubts about the journey disappeared and he became very excited.

The reader : Journey to the center of the earth.

Answer the following questions.

Why couldn't they get through the tunnel?

✅ [Show Answer](#)

A huge rock blocked their way.

The reader : Journey to the center of the earth.

Answer the following questions.

What did they do to break the rock down?

☑ [Show Answer](#)

At first they tried to break it with their pickaxes, but it was too hard. So Axel suggested blowing it up with gunpowder.

The reader : Journey to the center of the earth.

Answer the following questions.

What did they do to blow up the rock?

☑ [Show Answer](#)

- * Hans made a hole in the rock with his pickaxe.
- * They packed عبأوا the hole with gunpowder.
- * Axel made a long fuse out of cloth.
- * The next morning, Axel lit the fuse and it exploded.

The reader : Journey to the center of the earth.

Answer the following questions.

What happened as the rock exploded?

☒ [Show Answer](#)

A huge hole opened and the sea became one big wave that threw them forward very fast.

The reader : Journey to the center of the earth.

Answer the following questions.

How did they lose their supplies?

☒ [Show Answer](#)

The wave swept away all their supplies.

The reader : Journey to the center of the earth.

Answer the following questions.

Why wasn't Axel worried about losing their food, water and tools?

☒ [Show Answer](#)

He wasn't worried because he thought that they would be killed soon.

The reader : Journey to the center of the earth.
Complete the following sentences.
Axel found something shining in the sand. It was
.....

☒ [Show Answer](#)

a knife.

The reader : Journey to the center of the earth.
Answer the following questions.
The professor guessed that the knife had been there for
a few hundreds of years because

☒ [Show Answer](#)

it was made of steel.

The reader : Journey to the center of the earth.
Complete the following sentences.
The characters knew that Arne Saknussemm had been
there before them because

☒ [Show Answer](#)

they found the first letters of his name carved on the
rock.

The reader : Journey to the center of the earth.

Complete the following sentences.

The knife which Axel found shining in the sand was
not nor

☒ [Show Answer](#)

Hans's nor the Professor's.

The reader : Journey to the center of the earth.

Complete the following sentences.

The rock was too hard to break, so

☒ [Show Answer](#)

they decided to blow it up.

The reader : Journey to the center of the earth.

Complete the following sentences.

As soon as the gunpowder had exploded,

.....

☒ [Show Answer](#)

a huge hole opened and the sea became one big wave
that threw them forward very fast.

The reader : Journey to the center of the earth.

Complete the following sentences.

All their supplies were lost because

☒ [Show Answer](#)

the wave swept it away.

The reader : Journey to the center of the earth.

Complete the following sentences.

Axel was not worried about losing their things because

.....

☒ [Show Answer](#)

he thought they would die soon.

The reader : Journey to the center of the earth.

Answer the following questions.

After they were falling over a big waterfall, in which direction did the raft go?

☒ [Show Answer](#)

It went up.

The reader : Journey to the center of the earth.

Answer the following questions.

How was the weather around them as they went higher?

✅ [Show Answer](#)

As they went higher, it got hotter and hotter.

The reader : Journey to the center of the earth.

Answer the following questions.

What was strange about the compass?

✅ [Show Answer](#)

The needle of the compass was going in all directions.

The reader : Journey to the center of the earth.

Answer the following questions.

Why was the compass going crazy?

✅ [Show Answer](#)

It was going crazy because they were in the middle of an active volcano.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did the Professor say that a volcanic eruption was a good thing for them?

✅ [Show Answer](#)

He thought that it was their only chance of returning to the surface of the Earth.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did Axel faint when they were inside the active volcano?

✅ [Show Answer](#)

He fainted because the heat was unbearable.

The reader : Journey to the center of the earth.

Answer the following questions.

What could Axel remember before he fainted?

✅ [Show Answer](#)

Explosions, falling rocks, waves of red-hot lava and the raft spinning in circles.

The reader : Journey to the center of the earth.

Answer the following questions.

What was the last memory that Axel had before he fainted?

☒ [Show Answer](#)

His last memory was of Hans looking at him.

The reader : Journey to the center of the earth.

Answer the following questions.

How did Axel know that they were back on the surface of the Earth?

☒ [Show Answer](#)

When he saw the sky.

The reader : Journey to the center of the earth.

Answer the following questions.

Where did he find himself when he woke up?

☒ [Show Answer](#)

He found himself lying on a steep mountain slope.

The reader : Journey to the center of the earth.

Complete the following sentences.

The needle of the compass was moving in all directions because

☒ [Show Answer](#)

they were in the middle of an active volcano.

The reader : Journey to the center of the earth.

Complete the following sentences.

As the raft continued to go up

☒ [Show Answer](#)

the weather got hotter.

The reader : Journey to the center of the earth.

Complete the following sentences.

The Professor said that their only chance of returning to the surface of the Earth was through

☒ [Show Answer](#)

a volcanic eruption.

The reader : Journey to the center of the earth.

Complete the following sentences.

The three men were going up because

☒ [Show Answer](#)

the water was rising and taking them with it.

The reader : Journey to the center of the earth.

Complete the following sentences.

When Professor Lidenbrock asked for food, Axel
.....

☒ [Show Answer](#)

had to tell him that they had lost all their food.

The reader : Journey to the center of the earth.

Complete the following sentences.

As a result of being in the middle of an active volcano,
the needle of the compass

☒ [Show Answer](#)

was going in all directions.

The reader : Journey to the center of the earth.

Complete the following sentences.

The higher they went upwards, the and
..... the weather became.

☒ [Show Answer](#)

hotter and hotter.

The reader : Journey to the center of the earth.

Complete the following sentences.

The heat was so unbearable that Axel

☒ [Show Answer](#)

fainted / lost consciousness.

The reader : Journey to the center of the earth.

Answer the following questions.

Which country were the characters in when they
returned to the surface of the Earth?

☒ [Show Answer](#)

They were in Italy.

The reader : Journey to the center of the earth.

Answer the following questions.

Why was Hans sure they were not in Iceland?

✅ [Show Answer](#)

Because the sun was very hot and the ground was dry.

The reader : Journey to the center of the earth.

Answer the following questions.

What did they eat when they first returned to the surface of the Earth?

✅ [Show Answer](#)

They ate fruit from trees in some fields.

The reader : Journey to the center of the earth.

Answer the following questions.

How did they know they were in Italy?

✅ [Show Answer](#)

The boy who they found spoke only Italian and said the mountain name was "Stromboli".

The reader : Journey to the center of the earth.

Answer the following questions.

How were the people of San Vincenzo kind?

☑ [Show Answer](#)

They gave them food, drink and new clothes.

The reader : Journey to the center of the earth.

Answer the following questions.

Did the people in Hamburg believe their story at first

What happened after that?

☑ [Show Answer](#)

They didn't believe their story at first. However, they changed their minds and believed after that.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did the people in Hamburg change their minds and believed their story?

☑ [Show Answer](#)

Because of the fact that Hans was with them and there was news from Iceland about their journey.

The reader : Journey to the center of the earth.

Answer the following questions.

How did the city celebrate their return?

✅ [Show Answer](#)

The city held a celebration for them where the most important men in Hamburg gave speeches in their honour.

The reader : Journey to the center of the earth.

Answer the following questions.

How did Hans go back home to Iceland?

✅ [Show Answer](#)

He went by ship.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did Axel like Hans?

✅ [Show Answer](#)

He liked him because he was calm and sensible.

The reader : Journey to the center of the earth.

Answer the following questions.

Why were they sorry at the end of the story?

☒ [Show Answer](#)

That was because Hans decided to go back home to Iceland.

The reader : Journey to the center of the earth.

Answer the following questions.

Why did they say they made a wonderful journey?

☒ [Show Answer](#)

Because they entered the Earth through the extinct volcano of Sneffels and returned back through the active volcano of Stromboli.

(They exchanged the cold of the north for the warmth of the south)

The reader : Journey to the center of the earth.

Complete the following sentences.

Hans was right when he said it wasn't Iceland because

.....

☒ [Show Answer](#)

the sun was very hot and the ground was dry.

The reader : Journey to the center of the earth.

Complete the following sentences.

The boy answered when the Professor

☒ [Show Answer](#)

spoke to him in Italian.

The reader : Journey to the center of the earth.

Complete the following sentences.

They knew where they were when the boy

.....

☒ [Show Answer](#)

spoke Italian and said the mountain was "Stromboli".

The reader : Journey to the center of the earth.

Complete the following sentences.

On September 9th,

☒ [Show Answer](#)

they finally arrived home in Hamburg.

The reader : Journey to the center of the earth.

Complete the following sentences.

The return of Professor Lidenbrock caused

☒ [Show Answer](#)

great excitement in Hamburg.

The reader : Journey to the center of the earth.

Complete the following sentences.

Axel said that they made a wonderful journey because
.....

☒ [Show Answer](#)

they entered the Earth through the extinct volcano of
Sneffels and returned back through the active volcano
of Stromboli.

The reader : Journey to the center of the earth.

Complete the following sentences.

The people in Hamburg changed their minds and believed their story because

☒ [Show Answer](#)

Hans was with them and there was news from Iceland about their journey.

The reader : Journey to the center of the earth.

Complete the following sentences.

They were sad at last

☒ [Show Answer](#)

because Hans decided to go home to Iceland.
