Objectives of teaching English as a foreign language in the primary cycle:

The objectives of teaching English in the Primary Cycle are intended to familiarize the pupils with the language (orally and in writing) in a stress - free and fun-loaded atmosphere to prepare them for more demanding tasks in the subsequent stages.

Below is the general statement of the performance objectives of teaching English as a foreign language in grades one, two, three, four, five and six in the Primary Cycle in terms of language skills for convenience.

By the end of the Elementary Stage and within the assigned structures and vocabulary for this stage: students should be able to:

1. Learn the basics of the English language that would form the foundation for its mastery in the future.
2. Use the basic structures of English sentences.
3. Learn the core vocabulary assigned for this stage.
4. Listen to and understand English.
5. Express themselves orally using English.
6. Read and understand simple English materials.
7. Write sentences and short paragraphs in English.
8. Develop an awareness of the importance of the English language as an international mean of communication.
9. To experience language awareness in terms of how English works and differs from Arabic.
