C - Reading Comprehension (9 Marks)

1- Read the following passage and answer the questions below :

A dog that was rescued after spending three weeks floating at sea after a huge earthquake and tsunami, has been reunited with its owner who recognized the dog when she saw a TV news report on Friday. The dog was found by a Japan Coast Guard crew on a big piece of wood. It is thought to be from a damaged house. It was floating 1.8 km off the coast of one of the worst- hit areas along Japan's north - east coast. The piece of wood was washed out to sea by the waters of tsunami. The two-year-old dog called Ban had an emotional reunion with its owner at an animal care centre where it had been taken to be looked after. It was reported that Ban jumped up and was very excited when the owner appeared.
