Football is the most popular game in the world. No one knows where it started. Football was played in England for many years, but there were no rules. Sometimes players were badly injured and in 1863 the first rules for football were written to make the game safer.

The most famous football player in history is probably Pele. When he was a boy, he used to play for hours in the street with his friends. When he was 17, he played for his country in the World Cup. In 1961, he scored one of the best goals ever seen by running past all eleven players in the other team before he scored.

A) Answer the following questions:
